

Rec'd a confirmation number on prior comment, but was unable to bring up anything on the confirmation page. K-LOVE is heard on 91.3, 92.1 and 92.1 in my area. Thousands of people in the San Antonio area enjoy their wholesome and encouraging programming. Please do not expand the LPFM in a way that would endanger this translator type of service. K-LOVE has a very positive influence in our community, and across the country. Thank you for your attention to my request.
